## **Update on the Results of the Investigation into Improper Quality Control Practices (Third Report)**

**TOKYO, May 25, 2022** – [Mitsubishi Electric Corporation](https://www.mitsubishielectric.com) (TOKYO: 6503) announces today receipt of the Third Report by an Investigative Committee of external experts (Chaired by Hiroshi Kimeda, Partner (Attorney-at-law), Nishimura & Asahi, previously announced on July 2, 2021) as part of the investigation it has been tasked with in relation to incidents involving quality-related improper practice at Mitsubishi Electric.

The investigation into quality practices at all of the company's manufacturing sites and plants (all 22 facilities) will continue. The results of the investigation on the remaining facilities will be announced as soon as the reports by the committee are received by the company. The company will then proceed with investigations into its group companies.

Mitsubishi Electric would like to reiterate its sincere apologies to all customers, valued stakeholders, and broader society for the impact of these incidents.

The company takes the findings and recommendations of the report very seriously and is committing to work as one Mitsubishi Electric Group to both prevent future recurrence and on reform so that the company can regain trust.

For information on measures taken by the company in response to the findings of the Investigative Committee's report to prevent future recurrence, please refer to the separate announcement made by the company "Update on investigation into improper quality control practices and implementation of reform roadmap (Third Report)" on May 25, 2022.
